Dear Patient:

Thank you for contacting our office! Enclosed you will find paperwork for you to read and fill out. **These forms need to be completed before your appointment.**

Please complete the enclosed Patient Information Form and Medication List and bring all of these forms with you on your initial visit to our office.

Please carefully read the **Patient's Health History Form and complete it fully**, to the best of your knowledge, both page 1 and page 2. This is very important information needed for your consultation.

**\*\*Medical records/Laboratory tests** from your referring provider must be in our office prior to your visit in order to ensure your appointment.

Please have ready your:

- Completed paperwork
- Insurance cards
- Medical records/Laboratory tests you were asked to obtain if we have not already received them
- Co-pay (if required) will be collected at time of visit

**• If your insurance plan requires you to have a referral to see a specialist, please make sure to have your Primary Care Physician submit one to the office, before your visit.**

Upon arriving to our office you may be asked to collect a urine sample using the cups and wipes that are located in our waiting room bathroom.

Thank you,

NY Health Nephrologists
